LIVE POSITIVE

THE FIRST STEP TO A HEALTHY HOME

CAN REGULAR CLEANING ELIMINATE HIDDEN INVISIBLE ENEMY AT YOUR HOME?

The ineffective cleaning process

Sweeping:

Allows dust and impurities to circulate and settle elsewhere.

Dusting:

Only displaces dust from one place to other without eliminating it.

Swabbing:

Adds moisture to dust, creating a sticky paste.

INVISIBLE ENEMY AT HOME

Even if you remove the visible dust, what happens to the fine dust, which is invisible and more dangerous?
